INTRODUCTION

The Purge Emission Collection Kit was an optional accessory for YORK YT chillers. The kit was used with TurboGuard and SkyGuard II purge units.

PRICING AND AVAILABILITY

Current pricing is listed in the Service & Parts section at www.york.com.

Contact the Customer Service Team at the YORK Parts Center for availability.

REFRIGERANT RECOVERY

Refrigerant recovery is not included in the price of the Purge Canister (Item 1). Call (800) 861-1001 for North America or www.york.com outside North America.
